***in collaboration with***  
**IBM Academic Initiatives, India**  
**28<sup>th</sup> Oct. 2010 to 31<sup>st</sup> Oct. 2010**

**Convener**  
**Dr. P. Narayanasamy,**  
Director (Academic courses and student affairs)

**About the University:**

Anna University of Technology Chennai is an affiliating university established by the Government of Tamilnadu by an act of section (under section 54 of the Anna University of Technology, Chennai Act.2010) of Tamil Nadu Act 26 of 2010. It is developing high quality infrastructure to provide its excellent teaching and research facilities for Engineering and Technology. The university planned to introduce several path-breaking inter-disciplinary courses at both the undergraduate and post-graduate levels along with traditional courses in fundamental engineering. The university has 4 constituent colleges and 160 Engineering colleges in Chennai region which are now affiliated to this university. In this context, it is proposed to promote high quality Research and Development by having Memorandum of Understanding with Foreign Universities and Industry Institute Interaction.

**About the Department of CSE:**

The Department of Computer Science and Engineering offers M.E. (Computer Science and Engineering), Ph.D.(Computer Science and Engineering) courses. The department is vibrant in organizing various development programmes to encourage students, faculty members and research scholars to promote advanced research activities in computing fields. The Department has dedicated and qualified faculty besides good infrastructure for computing.

**About the workshop:**

The workshop is aimed at imparting the knowledge in recent advances in Web Technology by bringing together the researchers and students from academia and practitioners from industries. It is intended to build skill in working with Rational Application Developing software.

**Objectives:**

- To learn the fundamentals of Applications related to Web Technologies.
- To have hands on training with Rational Application Developing Software

**Eligibility:**

Final year B.E./B.Tech./M.E./M.C.A students and Faculty Members of affiliated / constituent colleges of the university.

**Workshop Prerequisites:**

Exposure in J2EE, RDBMS and Web-technologies.

**Resource Persons:**

The sessions will be handled by senior R&D and software professionals from IBM, India.

**Selection of participants:**

Candidates will be selected based on first come first serve basis.

**Dates to remember:**

Receipt of Registration form by e-mail : 22.10.2010  
Selection intimation by e-mail : 23.10.2010  
Participation confirmation by post/in person/email: 25.10.2010

**Registrations:**

- Interested candidates have to confirm their registration via mail/post.
- To participate in the hands-on session participants have to bring their own laptop.
- TA/DA will not be provided for the participant.
- Boarding and lodging should be borne by the individuals.
- No Spot Registration.
- Registration is at free of cost.
