

**NOTIFICATION TO THE PRINCIPALS  
REGARDING VALUATION WORK**

The principals of the affiliated colleges are hereby requested that the faculty members of their colleges, who have been assigned with the valuation duty regarding the recently conducted AUTC examinations, should be permitted by the college to take up the assignment. Each faculty member should be given sufficient on-office-duty (OOD) facility until the valuation period is over. The participation of the colleges in such university works will also be considered as one of the key factors for affiliation – weightage proportionate to the number of members permitted.

**REGISTRAR**
